LIVE OZARKS RIVER CONDITIONS

Is the river floatable today?

Eddy reads the live USGS gauges on **24 Ozarks float rivers** and turns the numbers into one honest rating — so you know what you are driving to before you load the boat.

ONE RATING, EVERY RIVER, UPDATED ALL DAY

Check the water

Real-time gauge readings, a 14-day trend, and the weather about to change it.

Plan the float

Put-in to take-out: river miles, time on the water, and the shuttle drive.
